

Agenda

Description

This information day and brokerage event gives details on the calls for proposals H2020-CIP 2016, H2020-SEC 2016 and H2020-DS-2016, published on 15 March 2016 under the societal challenge Secure Societies - Protecting freedom and security of Europe and its citizens.

These calls offers new research funding opportunities to research institutions, universities, industries, SMEs, civil society organizations and any other security stakeholders.

Would you like to participate? The event will help you prepare your proposal by offering:

- Information about the calls
- Networking possibilities
- Answers to your questions linked to call areas
- Details on the legal and procedural conditions
